Dear 100 ways to Kill Lois. by Stewie Griffin,

You suck. I bought the damn thing on impulse (job well done, you say, **DEEP** hole) thinking I would get to enjoy Stewie detailing his plots to destroy Lois, but instead I get a **DEEP** ass story about peter bringing home a retarded street man. Peter ALWAYS does stupid **DEEP** like this and I wanted something different. I wanted 100 ways to kill Lois, but I was cheated. You wasted my time and money and I hate you.

Love
Catherine
